1. PROGRAM TRACKS & MONTHLY TUITION

Every track is hands-on, project-based, and designed to help your child build real skills and a real portfolio. Choose the track that fits your child's interests — or combine tracks for a multi-track discount.

Track	Ages	Monthly Tuition	What Your Child Will Do
Drone Crew	12–14	\$175/month	Aerial cinematography, flight safety, and FAA Part 107 certification prep. Your child learns to fly, film, and edit professional drone footage.
Creator Bootcamp	10–14	\$150/month	YouTube channel building, content strategy, and platform-native content creation. Your child launches and grows a real channel.
Voyagers Creator Network (VCN)	10–14	\$125/month	Podcasting, digital storytelling, and personal brand development. Your child finds their voice and builds an audience.
Sports Content Lab	10–14	\$150/month	Highlight reels, athlete portfolios, and youth league sports content. Perfect for young athletes who love being behind and in front of the camera.
Comic Con Universe	8–14	\$125/month	Character design, world-building, cosplay creation, and intellectual property development. Your child creates original characters and stories they own.
After-School Pipeline	8–12	\$100/month	Introductory creative exploration across all tracks. A perfect starting point for younger creators to discover what excites them most.

Not sure which track is right? The After-School Pipeline lets your child explore everything before committing to a specialty.

2. ADDITIONAL FEES & WHAT THEY COVER

In addition to monthly tuition, the following fees cover the tools, software, and materials your child will use throughout the program. We keep these transparent so there are no surprises.

Fee	Amount	When	What It Covers
Registration Fee	\$50	One-time	Non-refundable; covers enrollment processing and onboarding
Technology Fee	\$75	Per semester	Software licenses, cloud storage, and platform access for your child's projects
Materials Fee	\$50	Per semester	Consumable supplies and hands-on project materials

Fee	Amount	When	What It Covers
Equipment Deposit	\$200	One-time	Drone Crew only; fully refundable at end of enrollment if equipment is returned undamaged

The Equipment Deposit is only required for Drone Crew. All other tracks have no deposit.

3. DISCOUNTS & FAMILY SAVINGS

We believe every young creator deserves access. Here are the ways your family can save:

Discount	Savings	How It Works
Sibling Discount	15% off tuition	Applies to each additional child enrolled from the same family
Multi-Track Discount	10% off tuition	Applies to each additional track when one student enrolls in 2 or more tracks
Homeschool Family Bundle	20% off tuition	For homeschool or cyber school families enrolling in 2 or more tracks
Early Bird Registration	10% off first semester	Enroll before the early bird deadline and save on your first semester
Referral Credit	\$25 tuition credit	Earn a credit for every family you refer who enrolls
